# Subject Index

Abdomen, surgery
  alternatives to the classic abdominoplasty (Dardour and Vilain), *how we do it*, 247
Accidents, occupational
  major injuries due to agricultural machinery (Hansen), 59
Adipose tissue, growth
  influence of dexamethasone on the regrowth of surgically removed fat (Angel et al), 134
Adipose tissue, surgery. *See* Lipectomy
Adrenergic fibers
  adrenergic nerves and the delay phenomenon (Jurell), 493
Age factors
  burns in patients under 2 and over 70 years of age (Le et al), 39
  external cranial vault molding after craniofacial surgery (Persing et al), 274
  fate of transposed immature muscle and its clinical application (Ger et al), 116
Agriculture
  major injuries due to agricultural machinery (Hansen), 59
Alopecia, surgery
  treatment of male baldness (Dardour), 267
Amputation, traumatic
  extremity reconstruction using the "fillet of sole" flap (Russell et al), 65
Anesthesia, local
  management of soft tissue injuries (Spira), 408
Anophthalmos
  rare patient with a false median cleft lip associated with multiple congenital anomalies (Ohtsuka), *case report*, 155
Antibiotics
  management of soft tissue injuries (Spira), 408
  successful treatment of acute head and neck dog bite wounds without antibiotics (Guy and Zook), 45
Arm injuries
  major injuries due to agricultural machinery (Hansen), 59
Ascorbic acid deficiency
  wound healing in vitamin C-deficient and nondeficient guinea pigs: a pilot study (Cabbabe and Korock), 330
Audiovisual aids
  review of projection graphics (Biggerstaff), 17

Bacterial infections
  experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
*Bacteroides*
  Fournier's gangrene of the penis: a report of two cases (Schneider et al), *case report*, 87
Baldness. *See* Alopecia
Bandages
  dressing system providing fluid supply and suction drainage used for continuous or intermittent irrigation (Svedman et al), 125
  management of soft tissue injuries (Spira), 408
Bites
  successful treatment of acute head and neck dog bite wounds without antibiotics (Guy and Zook), 45
Blood flow velocity
  changes in blood flow and metabolism in a neurovascular island skin flap after a burn (Eriksson et al), 79
  effect of temperature on blood flow and metabolism in a neurovascular island skin flap (Hussl et al), 73
Bone, transplantation
  complex nasoethmoid-orbital and midfacial fractures: role of craniofacial surgical techniques and immediate bone grafting (Gruss), 377
  fractures of the mandible (Howard and Wolfe), 391
  secondary bone grafting and orthodontic treatment in patients with bilateral complete clefts of the lip and palate (Bergland et al), 460
Bone diseases
  experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
Bones, blood supply
  experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
Bones, growth
  something of the nature of gross sutural growth (Sarnat), *overview*, 339
Book critiques
  *Introduction to Radiographic Cephalometry*, edited by Jacobson and Caulfields (Schendel), 170
  *Manual of Aesthetic Surgery*, edited by Fisher, Guerrerosantos, and Gleason (Barnett), 534
  *1985 Year Book of Plastic and Reconstructive Surgery*, edited by McCoy et al (Rosen), 170
Breast, abnormalities
  surgical treatment of congenital breast asymmetry (Smith et al), 92
Breast augmentation
  capsule around silicone implants in diabetic rats: histological and biochemical study (Peled et al), 288
  correction of mammary ptosis with glandular atrophy (Staub and Pugash), 216
  influence of silicone bleed on capsule contracture (Caffee), 284
  prolactin secretion in women after plastic breast augmentation and reduction (Soules et al), 335

July issue, pp 1–90; August issue, pp 91–172; September issue, pp 173–266; October issue, pp 267–352; November issue, pp 353–444; December issue, pp 445–543.

surgical treatment of congenital breast asymmetry (Smith et al), 92
toxic shock syndrome after augmentation mammaplasty (Giesecke and Arnander), 532
Breast reduction
priority grouping in a waiting list of patients for reduction mammaplasty (Strömbeck and Malm), 498
prolactin secretion in women after plastic breast augmentation and reduction (Soules et al), 335
results following reduction mammaplasty as evaluated by the patients (Pers et al), 449
Burns
burns in patients under 2 and over 70 years of age (Le et al), 39
changes in blood flow and metabolism in a neurovascular island skin flap after a burn (Eriksson et al), 79
grafting of burns with widely meshed autograft split skin and Langerhans cell-depressed allograft split skin overlay (Alsbjorn and Sørensen), 480
simple method to protect tissue from accidental cautery burns (Guiloff and Cabbabe), *gadgetry*, 169
Burns, chemical
treatment of cervical burn contracture with two fasciocutaneous flaps (Staub and Pugash), *case report*, 350

Carcinoma, squamous cell
Fournier's gangrene of the penis: a report of two cases (Schneider et al), *case report*, 87
fractures of the mandible (Howard and Wolfe), 391
Case mix
priority grouping in a waiting list of patients for reduction mammaplasty (Strömbeck and Malm), 498
Case reports
chondroid syringoma in the hypothenar region (Ohtsuka and Tokuyama), 165
Fournier's gangrene of the penis: a report of two cases (Schneider et al), 87
frontal sinus fracture following osteoplastic frontal sinus obliteration (Gerson et al), 161
neurofibroma of the ear (Stevenson et al), 151
rare patient with a false median cleft lip associated with multiple congenital anomalies (Ohtsuka), 155
second toe to thumb transfer with extensor digitorum brevis opponensplasty (Mitz), 259
toxic shock syndrome after augmentation mammaplasty (Giesecke and Arnander), 532
treatment of cervical burn contracture with two fasciocutaneous flaps (Staub and Pugash), 350
Cautery, adverse effects
simple method to protect tissue from accidental cautery burns (Guiloff and Cabbabe), *gadgetry*, 169
Cicatrix
results following reduction mammaplasty as evaluated by the patients (Pers et al), 449
treatment of cervical burn contracture with two fasciocutaneous flaps (Staub and Pugash), *case report*, 350
wound healing in vitamin C-deficient and nondeficient guinea pigs: a pilot study (Cabbabe and Korock), 330
Cleft lip
computed axial tomographic assessment of cranioorbital anatomy in unilateral clefts (Schendel and Delaire), 120
epidemiology of orofacial clefts in Finland: a review (Rintala), 456
rare patient with a false median cleft lip associated with multiple congenital anomalies (Ohtsuka), *case report*, 155
secondary bone grafting and orthodontic treatment in patients with bilateral complete clefts of the lip and palate (Bergland et al), 460
Cleft palate
computed axial tomographic assessment of cranioorbital anatomy in unilateral clefts (Schendel and Delaire), 120
epidemiology of orofacial clefts in Finland: a review (Rintala), 456
secondary bone grafting and orthodontic treatment in patients with bilateral complete clefts of the lip and palate (Bergland et al), 460
Cold
effect of temperature on blood flow and metabolism in a neurovascular island skin flap (Hussl et al), 73
Colostomy
free microneurovascular gracilis muscle transfer in the dog for enterostomal sphincter construction and control: an experimental study (Merrell et al), 82
Computers
your computer as your library (Vistnes), *editorial*, 91
Consumer satisfaction
predictive validity of psychosocial factors for patients' acceptance of rhinoplasty (Meyer and Jacobsson), 513
results following reduction mammaplasty as evaluated by the patients (Pers et al), 449
Craniofacial dysostosis
external cranial vault molding after craniofacial surgery (Persing et al), 274
Craniosynostosis
frontal pattern for frontocranial remodeling (Marchac), *gadgetry*, 263
Craniosynostosis, surgery
external cranial vault molding after craniofacial surgery (Persing et al), 274
Crouzon's disease. *See* Craniofacial dysostosis.

Delay phenomenon
adrenergic nerves and the delay phenomenon (Jurell), 493
Dexamethasone
effect of steroids in maxillofacial surgery (Munro et al), 440
influence of dexamethasone on the regrowth of surgically removed fat (Angel et al), 134
Diabetes mellitus
capsule around silicone implants in diabetic rats: histological and biochemical study (Peled et al), 288

Dogs
successful treatment of acute head and neck dog bite wounds without antibiotics (Guy and Zook), 45

Ear, external, injuries
ear replantation combined with local flaps (Elsahy), 102
Ear neoplasms
neurofibroma of the ear (Stevenson et al), *case report*, 151
Editorials
message from the editor (Vistnes), 353
your computer as your library (Vistnes), 91
Education, medical, graduate
plastic surgery in a French teaching program (Vilain), *editorial*, 174
Electromyography
excitability of free muscle transfers: an optimal method of monitoring tissue circulation? (Arnander and Larsson), 475
Epidemiologic methods
epidemiology of orofacial clefts in Finland: a review (Rintala), 456
Evoked potentials
excitability of free muscle transfers: an optimal method of monitoring tissue circulation? (Arnander and Larsson), 475
Extensor digitorum brevis muscle, transplantation
second toe to thumb transfer with extensor digitorum brevis opponensplasty (Mitz), *case report*, 259

Face lift. *See* Rhytidectomy
Facial injuries
application of new advances to treatment of facial trauma (McCoy), 354
complications of facial trauma: principles of late reconstruction (Tessier), 411
in vivo delineation of facial fractures: the application of advanced medical imaging technology (Marsh et al), 364
management of soft tissue injuries (Spira), 408
some thoughts on the classification and treatment of Le Fort fractures (Manson), 356
Facial injuries, surgery
craniofacial approach to trauma (Lauritzen et al), 503
Femoral artery, growth
growth potential of small arteries repaired by microsurgical technique (Russell et al), 34
Femoral artery, transplantation
microvenous graft length determination for arterial repair (Schneider et al), 292
Femoral vein, transplantation
microvenous graft length determination for arterial repair (Schneider et al), 292
Fingers
flexor tendon lengthening by tenotomy at the musculotendinous junction (Le Viet), 239
Fingers, surgery
translocation of the fifth finger by intracarpal osteotomy (Le Viet), 228

Finland
epidemiology of orofacial clefts in Finland: a review (Rintala), 456
Flaps, fasciocutaneous
fasciocutaneous flap as an alternative solution in difficult reconstructive problems (Mitz), 206
treatment of cervical burn contracture with two fasciocutaneous flaps (Staub and Pugash), *case report*, 350
Flaps, free
comparative study of free and pedicle flaps for lower extremity wounds (Zook et al), 21
Flaps, muscular-vascular pedicle
experimental evaluation of tissue revascularization using a transferred muscular-vascular pedicle (Hussl et al), 299
Flaps, musculocutaneous
experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
Flaps, neurovascular island skin
changes in blood flow and metabolism in a neurovascular island skin flap after a burn (Eriksson et al), 79
effect of temperature on blood flow and metabolism in a neurovascular island skin flap (Hussl et al), 73
Flaps, osteomusculocutaneous
combined composite pectoralis major and minor osteomusculocutaneous flap (Serra et al), 323
Flaps, palatopharyngeal
technique for lining the palatopharyngeal flap with a single hinge flap (Holmström), 489
Flaps, pedicle
comparative study of free and pedicle flaps for lower extremity wounds (Zook et al), 21
Flaps, skin
adrenergic nerves and the delay phenomenon (Jurell), 493
combined prostacyclin and thromboxane synthetase inhibitor UK 38485 in flap survival (Zachary et al), 112
ear replantation combined with local flaps (Elsahy), 102
prediction of skin flap necrosis: a comparative study between laser Doppler flowmetry and fluorescein test in a rat model (Hedén et al), 485
studies on the nature of the flap/bed interaction in rodents—part I: flap survival under varying conditions (Angel et al), 317
studies on the nature of the flap/bed interaction in rodents—part II: morphological and fluorescein kinetic data (Angel et al), 434
Flowmeters
prediction of skin flap necrosis: a comparative study between laser Doppler flowmetry and fluorescein test in a rat model (Hedén et al), 485
Fluoresceins
prediction of skin flap necrosis: a comparative study between laser Doppler flowmetry and fluorescein test in a rat model (Hedén et al), 485
Forelimb, injuries
experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6

Fournier's gangrene. *See* Gangrene
Fracture fixation, internal
  complex nasoethmoid-orbital and midfacial fractures: role of craniofacial surgical techniques and immediate bone grafting (Gruss), 377
  fractures of the mandible (Howard and Wolfe), 391
Fractures
  complications of facial trauma: principles of late reconstruction (Tessier), 411
Fractures, Le Fort
  in vivo delineation of facial fractures: the application of advanced medical imaging technology (Marsh et al), 364
  some thoughts on the classification and treatment of Le Fort fractures (Manson), 356
Fractures, open
  complex nasoethmoid-orbital and midfacial fractures: role of craniofacial surgical techniques and immediate bone grafting (Gruss), 377
  fractures of the mandible (Howard and Wolfe), 391
  some thoughts on the classification and treatment of Le Fort fractures (Manson), 356
Free muscle transfer
  excitability of free muscle transfers: an optimal method of monitoring tissue circulation? (Arnander and Larsson), 475
Frontal sinus injuries
  frontal sinus fracture following osteoplastic frontal sinus obliteration (Gerson et al), *case report*, 161
Frontal sinus, surgery
  frontal sinus fracture following osteoplastic frontal sinus obliteration (Gerson et al), *case report*, 161

Gadgetry
  frontal pattern for frontocranial remodeling (Marchac), 263
  simple method to protect tissue from accidental cautery burn (Guiloff and Cabbabe), 169
Gangrene
  Fournier's gangrene of the penis: a report of two cases (Schneider et al), *case report*, 87
  scrotal reconstruction after Fournier's gangrene (Hesselfeldt-Nielsen et al), 310
Goldenhar syndrome
  external cranial vault molding after craniofacial surgery (Persing et al), 274
Gracilis muscle
  experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
  free microneurovascular gracilis muscle transfer in the dog for enterostomal sphincter construction and control: an experimental study (Merrell et al), 82
Gracilis muscle, transplantation
  excitability of free muscle transfers: an optimal method of monitoring tissue circulation? (Arnander and Larsson), 475
Graft occlusion, vascular
  microvenous graft length determination for arterial repair (Schneider et al), 292
Graft survival
  adrenergic nerves and the delay phenomenon (Jurell), 493
  combined prostacyclin and thromboxane synthetase inhibitor UK 38485 in flap survival (Zachary et al), 112
  comparison between sternum and rib in osteomyocutaneous reconstruction of major mandibular defects (Robertson), 421
  prediction of skin flap necrosis: a comparative study between laser Doppler flowmetry and fluorescein test in a rat model (Hedén et al), 485
  studies on the nature of the flap/bed interaction in rodents–part I: flap survival under varying conditions (Angel et al), 317
  studies on the nature of the flap/bed interaction in rodents–part II: morphological and fluorescein kinetic data (Angel et al), 434

Hand, pathology
  chondroid syringoma in the hypothenar region (Ohtsuka and Tokuyama), *case report*, 165
Head injuries
  successful treatment of acute head and neck dog bite wounds without antibiotics (Guy and Zook), 45
Head injuries, surgery
  craniofacial approach to trauma (Lauritzen et al), 503
Hidradenoma
  chondroid syringoma in the hypothenar region (Ohtsuka and Tokuyama), *case report*, 165
How we do it
  alternatives to the classic abdominoplasty (Dardour and Vilain), 247
Hydranencephaly
  rare patient with a false median cleft lip associated with multiple congenital anomalies (Ohtsuka), *case report*, 155
Hypertelorism
  rare patient with a false median cleft lip associated with multiple congenital anomalies (Ohtsuka), *case report*, 155
Hypospadias, surgery
  hypospadias: simple, safe, and complete correction in two stages (Bretteville), 526

Infant
  burns in patients under 2 and over 70 years of age (Le et al), 39
Irrigation
  dressing system providing fluid supply and suction drainage used for continuous or intermittent irrigation (Svedman et al), 125

Keloid
  treatment of cervical burn contracture with two fasciocutaneous flaps (Staub and Pugash), *case report*, 350

Langerhans cells
grafting of burns with widely meshed autograft split skin and Langerhans cell-depressed allograft split skin overlay (Alsbjorn and Sørensen), 480
Le Fort fractures. *See* Fractures, Le Fort
Leg injuries
extremity reconstruction using the "fillet of sole" flap (Russell et al), 65
major injuries due to agricultural machinery (Hansen), 59
Letters
re: Clark and Bennett: excision of giant nevi in children (Marchac), 266
re: Fisher: safe margins for melanoma excision (Hurwitz), 172
Lipectomy
aesthetic surgery of the medial thigh (Vilain and Dardour), 176
influence of dexamethasone on the regrowth of surgically removed fat (Angel et al), 134
prevention and treatment of waves after suction lipectomy (Vilain), 194

Mandible, surgery
comparison between sternum and rib in osteomyocutaneous reconstruction of major mandibular defects (Robertson), 421
effect of steroids in maxillofacial surgery (Munro et al), 440
Mandibular fractures
fractures of the mandible (Howard and Wolfe), 391
Mandibular neoplasms
neurofibroma of the ear (Stevenson et al), *case report*, 151
Maxilla, fractures
complications of facial trauma: principles of late reconstruction (Tessier), 411
Maxilla, surgery
effect of steroids in maxillofacial surgery (Munro et al), 440
Melanoma, surgery
re: Fisher: safe margins for melanoma excision (Hurwitz), *letter*, 172
Microcirculation
microcirculation in muscle (Eriksson et al), 13
Microscopy, electron, scanning
microvenous graft length determination for arterial repair (Schneider et al), 292
polyglycolic acid tubing as a conduit for nerve regeneration (Merrell et al), 49
Microsurgery
growth potential of small arteries repaired by microsurgical technique (Russell et al), 34
management of soft tissue injuries (Spira), 408
risk and consequence of infection at the site of microsurgical repair: an experimental model (Chachques et al), 221
UNILINK instrument system for fast and safe microvascular anastomosis (Östrup and Berggren), 521
Mouth neoplasms
comparison between sternum and rib in osteomyocutaneous reconstruction of major mandibular defects (Robertson), 421
Muscles, anatomy
microcirculation in muscle (Eriksson et al), 13
Muscles, transplantation
free microneurovascular gracilis muscle transfer in the dog for enterostomal sphincter construction and control: an experimental study (Merrell et al), 82

Neck injuries
successful treatment of acute head and neck dog bite wounds without antibiotics (Guy and Zook), 45
treatment of cervical burn contracture with two fasciocutaneous flaps (Staub and Pugash), *case report*, 350
Necrosis
adrenergic nerves and the delay phenomenon (Jurell), 493
prediction of skin flap necrosis: a comparative study between laser Doppler flowmetry and fluorescein test in a rat model (Hedén et al), 485
Nerve regeneration
polyglycolic acid tubing as a conduit for nerve regeneration (Merrell et al), 49
Neural conduction
polyglycolic acid tubing as a conduit for nerve regeneration (Merrell et al), 49
Neurofibroma
neurofibroma of the ear (Stevenson et al), *case report*, 151
Nevus, surgery
re: Clark and Bennett: excision of giant nevi in children (Marchac), *letter*, 266
Norepinephrine
adrenergic nerves and the delay phenomenon (Jurell), 493
Nose, anatomy
nasal vestibule (Frileck), *overview*, 141
Nose, injuries
complex nasoethmoid-orbital and midfacial fractures: role of craniofacial surgical techniques and immediate bone grafting (Gruss), 377
Nuclear magnetic resonance
in vivo delineation of facial fractures: the application of advanced medical imaging technology (Marsh et al), 364

Obesity
results following reduction mammaplasty as evaluated by the patients (Pers et al), 449
Orbital fractures
complex nasoethmoid-orbital and midfacial fractures: role of craniofacial surgical techniques and immediate bone grafting (Gruss), 377
complications of facial trauma: principles of late reconstruction (Tessier), 411

Orthodontics, corrective
secondary bone grafting and orthodontic treatment in patients with bilateral complete clefts of the lip and palate (Bergland et al), 460
Orthopedics
plastic surgery in a French teaching program (Vilain), *editorial*, 174
Osteogenesis imperfecta
rare patient with a false median cleft lip associated with multiple congenital anomalies (Ohtsuka), *case report*, 155
Osteomyelitis
comparative study of free and pedicle flaps for lower extremity wounds (Zook et al), 21
Osteotomy
translocation of the fifth finger by intracarpal osteotomy (Le Viet), 228
Overview
nasal vestibule (Frileck), 141
something in the nature of gross sutural growth (Sarnat), 339
Oxygen consumption
changes in blood flow and metabolism in a neurovascular island skin flap after a burn (Eriksson et al), 79
effect of temperature on blood flow and metabolism in a neurovascular island skin flap (Hussl et al), 73

Parotid neoplasms
neurofibroma of the ear (Stevenson et al), *case report*, 151
Patient care planning
priority grouping in a waiting list of patients for reduction mammaplasty (Strömbeck and Malm), 498
Pectoralis muscles, transplantation
combined composite pectoralis major and minor osteomusculocutaneous flap (Serra et al), 323
Penile diseases
Fournier's gangrene of the penis: a report of two cases (Schneider et al), *case report*, 87
Penile neoplasms
Fournier's gangrene of the penis: a report of two cases (Schneider et al), *case report*, 87
Peroneal nerve
polyglycolic acid tubing as a conduit for nerve regeneration (Merrell et al), 49
Polyethylenes
studies on the nature of the flap/bed interaction in rodents–part I: flap survival under varying conditions (Angel et al), 317
studies on the nature of the flap/bed interaction in rodents–part II: morphological and fluorescein kinetic data (Angel et al), 434
Polyglycolic acid tubing
polyglycolic acid tubing as a conduit for nerve regeneration (Merrell et al), 49

Postoperative complications
risk and consequence of infection at the site of microsurgical repair: an experimental model (Chachques et al), 221
Prolactin, secretion
prolactin secretion in women after plastic breast augmentation and reduction (Soules et al), 335
Prostaglandins
combined prostacyclin and thromboxane synthetase inhibitor UK 38485 in flap survival (Zachary et al), 112
Prune belly syndrome
fate of transposed immature muscle and its clinical application (Ger et al), 116

Rectus abdominis muscle, transplantation
fate of transposed immature muscle and its clinical application (Ger et al), 116
Replantation
ear replantation combined with local flaps (Elsahy), 102
Respiratory airflow
nasal vestibule (Frileck), *overview*, 141
Rhinoplasty
local infection following aesthetic rhinoplasty (Cabouli et al), 306
nasal vestibule (Frileck), *overview*, 141
predictive validity of psychosocial factors for patients' acceptance of rhinoplasty (Meyer and Jacobsson), 513
Rhytidectomy
current face lifting procedure: an attempt at evaluation (Mitz), 184
Ribs, transplantation
combined composite pectoralis major and minor osteomusculocutaneous flap (Serra et al), 323
comparison between sternum and rib in osteomyocutaneous reconstruction of major mandibular defects (Robertson), 421

Sartorius muscle, transplantation
fate of transposed immature muscle and its clinical application (Ger et al), 116
Scars. *See* Cicatrix
Scrotum, surgery
scrotal reconstruction after Fournier's gangrene (Hesselfeldt-Nielsen et al), 310
Silicone elastomers
experimental evaluation of tissue revascularization using a transferred muscular-vascular pedicle (Hussl et al), 299
Silicones, adverse effects
capsule around silicone implants in diabetic rats: histological and biochemical study (Peled et al), 288
influence of silicone bleed on capsule contracture (Caffee), 284
Skin, blood supply
experimental evaluation of tissue revascularization using a transferred muscular-vascular pedicle (Hussl et al), 299

Skin, surgery
correction of mammary ptosis with glandular atrophy (Staub and Pugash), 216
Skin, transplantation
adrenergic nerves and the delay phenomenon (Jurell), 493
changes in blood flow and metabolism in a neurovascular island skin flap after a burn (Eriksson et al), 79
combined prostacyclin and thromboxane synthetase inhibitor UK 38485 in flap survival (Zachary et al), 112
ear replantation combined with local flaps (Elsahy), 102
effect of temperature on blood flow and metabolism in a neurovascular island skin flap (Hussl et al), 73
experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
extremity reconstruction using the "fillet of sole" flap (Russell et al), 65
grafting of burns with widely meshed autograft split skin and Langerhans cell-depressed allograft split skin overlay (Alsbjorn and Sørensen), 480
prediction of skin flap necrosis: a comparative study between laser Doppler flowmetry and fluorescein test in a rat model (Hedén et al), 485
scrotal reconstruction after Fournier's gangrene (Hesselfeldt-Nielsen et al), 310
Skull, abnormalities
computed axial tomographic assessment of cranioorbital anatomy in unilateral clefts (Schendel and Delaire), 120
Skull, fractures
frontal sinus fracture following osteoplastic frontal sinus obliteration (Gerson et al), *case report*, 161
Skull, growth
external cranial vault molding after craniofacial surgery (Persing et al), 274
something of the nature of gross sutural growth (Sarnat), *overview*, 339
Skull, surgery
frontal pattern for frontocranial remodeling (Marchac), *gadgetry*, 263
SMAS. *See* Superficial musculoaponeurotic system
Staphylococcal infection
local infection following aesthetic rhinoplasty (Cabouli et al), 306
*Staphylococcus aureus*
risk and consequence of infection at the site of microsurgical repair: an experimental model (Chachques et al), 221
Sternum, transplantation
comparison between sternum and rib in osteomyocutaneous reconstruction of major mandibular defects (Robertson), 421
Streptococcal infections
Fournier's gangrene of the penis: a report of two cases (Schneider et al), *case report*, 87
*Streptococcus*
risk and consequence of infection at the site of microsurgical repair: an experimental model (Chachques et al), 221
Superficial musculoaponeurotic system
current face lifting procedure: an attempt at evaluation (Mitz), 184
Surgery, plastic
plastic surgery in a French teaching program (Vilain), *editorial*, 174
Surgical flaps
changes in blood flow and metabolism in a neurovascular island skin flap after a burn (Eriksson et al), 79
combined composite pectoralis major and minor osteomusculocutaneous flap (Serra et al), 323
combined prostacyclin and thromboxane synthetase inhibitor UK 38485 in flap survival (Zachary et al), 112
comparative study of free and pedicle flaps for lower extremity wounds (Zook et al), 21
ear replantation combined with local flaps (Elsahy), 102
effect of temperature on blood flow and metabolism in a neurovascular island skin flap (Hussl et al), 73
experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
experimental evaluation of tissue revascularization using a transferred muscular-vascular pedicle (Hussl et al), 299
extremity reconstruction using the "fillet of sole" flap (Russell et al), 65
fasciocutaneous flap as an alternative solution in difficult reconstructive problems (Mitz), 206
studies on the nature of the flap/bed interaction in rodents–part I: flap survival under varying conditions (Angel et al), 317
studies on the nature of the flap/bed interaction in rodents–part II: morphological and fluorescein kinetic data (Angel et al), 434
treatment of cervical burn contractures with two fasciocutaneous flaps (Staub and Pugash), *case report*, 350
Surgical instruments
management of soft tissue injuries (Spira), 408
simple method to protect tissue from accidental cautery burns (Guiloff and Cabbabe), *gadgetry*, 169
UNILINK instrument system for fast and safe microvascular anastomosis (Östrup and Berggren), 521
Sutures
management of soft tissue injuries (Spira), 408
polyglycolic acid tubing as a conduit for nerve regeneration (Merrell et al), 49
Symposium on facial trauma
application of new advances to treatment of facial trauma (McCoy), 354
complex nasoethmoid-orbital and midfacial fractures: surgical techniques and immediate bone grafting (Gruss), 377
complications of facial trauma: principles of late reconstruction (Tessier), 411
fractures of the mandible (Howard and Wolfe), 391

Symposium on facial trauma *(continued)*
in vivo delineation of facial fractures: the application of advanced medical imaging technology (Marsh et al), 364
management of soft tissue injuries (Spira), 408
some thoughts on the classification and treatment of Le Fort fractures (Manson), 356
Syringoma chondroid. *See* Hidradenoma

Teaching aids
review of projection graphics (Biggerstaff), 17
Tendons, surgery
flexor tendon lengthening by tenotomy at the musculotendinous junction (Le Viet), 239
Thigh, surgery
aesthetic surgery of the medial thigh (Vilain and Dardour), 176
Thromboxanes
combined prostacyclin and thromboxane synthetase inhibitor UK 38485 in flap survival (Zachary et al), 112
Thumb
second toe to thumb transfer with extensor digitorum brevis opponensplasty (Mitz), *case report*, 259
Tibial fractures
comparative study of free and pedicle flaps for lower extremity wounds (Zook et al), 21
Toes, transplantation
second toe to thumb transfer with extensor digitorum brevis opponensplasty (Mitz), *case report*, 259
translocation of the fifth finger by intracarpal osteotomy (Le Viet), 228
Tomography, x-ray computed
computed axial tomographic assessment of cranioorbital anatomy in unilateral clefts (Schendel and Delaire), 120
in vivo delineation of facial fractures: the application of advanced medical imaging technology (Marsh et al), 364
Toxic shock syndrome
toxic shock syndrome after augmentation mammaplasty (Giesecke and Arnander), 532
Transplantation, autologous
grafting of burns with widely meshed autograft split skin and Langerhans cell-depressed allograft split skin overlay (Alsbjorn and Sørensen), 480
Transplantation, homologous
grafting of burns with widely meshed autograft split skin and Langerhans cell-depressed allograft split skin overlay (Alsbjorn and Sørensen), 480
Triamcinolone acetonide
grafting of burns with widely meshed autograft split skin and Langerhans cell-depressed allograft split skin overlay (Alsbjorn and Sørensen), 480

Vascular surgery
UNILINK instrument system for fast and safe microvascular anastomosis (Östrup and Berggren), 521
Velopharyngeal insufficiency
technique for lining the palatopharyngeal flap with a single hinge flap (Holmström), 489
Vitamin C deficiency. *See* Ascorbic acid deficiency

Wound healing
dressing system providing fluid supply and suction drainage used for continuous or intermittent irrigation (Svedman et al), 125
experimental evaluation of free-tissue transfer to promote healing of infected wounds in dogs (Asaadi et al), 6
successful treatment of acute head and neck dog bite wounds without antibiotics (Guy and Zook), 45
wound healing in vitamin C-deficient and nondeficient guinea pigs: a pilot study (Cabbabe and Korock), 330
Wound infection
complications of facial trauma: principles of late reconstruction (Tessier), 411
